SUMMARY

Mohamed Taher, a recent graduate diving into software engineering. Currently honing my skills in Python Django through ALX internship, passionate about leveraging technology to solve real-world challenges. Alongside technical training, I've completed ALX's Foundations program to enhance my soft skills, including communication, teamwork, self-awareness, self-organization, leadership skills, growth mindset, and grit.

EDUCATION

Menofia University – Faculty of Electronic Engineering

September 2017–August 2022

Department of Computer Science and Engineering

EXPERIENCE

Back-End Development Intern

March 2024- September 2024

ALX academy

- Focused on soft skills, such as self-awareness, self-organization, grit, growth mindset, and leadership skills.
- Focused on technical specialization: Django - Python - Databases -SQL - API - ORM - Web Development

Web Development (Nanodegree)

April 2022- July 2022

egFwd - Udacity

- Implemented more than one project within the study of website development using javascript
- Here are some skills that are included in the program: Node.js - JavaScript - Web Development
- Studied some important requirements for software engineers such as agile and scrum

HCIA-AI (training)

July 2019 - September 2019

HUAWEI Academy

- focused on the basic concepts in artificial intelligence, and introductions to each concept, such as: Python -AI - Machine Learning - Statistics - Probability - Neural Networks
- Build some models using Python and TensorFlow

SKILLS

- | | |
|----------|-----------------|
| • Python | • HTML |
| • Django | • JS |
| • SQL | • Node.js |
| • API | • Git |
| • Java | • Agile - Scrum |

PROJECTS

- [CARPU - graduation project](#) (2 links)
carpooling, traffic service web application.
- [Weather app journal](#)
a weather-journal web app project, within Udacity web development nanodegree.
- [School management system](#)
course management system project applied using Java.
- [Responsive landing page](#)
a responsive landing page within Udacity web development nanodegree.

VOLUNTEER ACTIVITIES

Insider Menofia

October 2020 - October 2021

Content Writer

Created compelling, well-researched articles, news, and short stories that inform and entertain.

Insider Menofia

November 2021 - November 2022

E-Writing vice head

Experienced leader overseeing a team of digital content creators, ensuring high-quality and engaging online content production. Proficient in guiding writers, and optimizing content strategies.

Insider Menofia

November 2022 - Present

Honorary member

Provide consultations, training, talks, and guidance to current members and newcomers.
